

**** Tumhe Kya Kahoon ****

Main tumhe chand kahun, ye mumkin nahi,
kyunki chand ki chamak bhi andheri raat ki mohtaaj hai.

Main tumhe suraj kahun, ye bhi mumkin nahi,
kyunki har subah ke baad ek shaam aati hai.

Main tumhe sitara kahun, ye bhi mumkin nahi,
kyunki har sitara kabhi na kabhi toot jaata hai.

Phir tumhe kya kahun...

Main tumhe woh aasmaan kahun,
jiski gehraai mein samandar bhi kam lage,
jiski wusat mein har khwaab sama jaaye,
aur jise dekh kar waqt bhi thehar jaaye.

Lekin tum aasmaan bhi nahi...

Aasmaan ko dekh kar bas nazar rukti hai,
tumhe dekh kar dil rukne ko karta hai.

Samandar mein utro to gehraai milti hai,
tumhari aankhon mein utro to
khud se milne ka ehसाas hota hai.

Isliye tumhe kya kahun...

Tum woh khoobsurat ehसाas ho,
jise naam dene ki zarurat nahi,
bas mehsoos karne ki zarurat hai. 💔

**** Ishq Ka Iqraar ****

Maine un logon ko bhi Tahajjud (raat ki nafl namaz)
mein mohabbat ke liye rote dekha hai,

Jo kehte the kabhi, "Humein mohabbat ho nahi sakti,"
unhe bhi ishq mein jhukte dekha hai.

Na keh sake dil ki baat,
na aankhon se inkaar hota hai,

Aap saamne ho to bas itna samajh aata hai—
ye ishq hai... jo har baar aapse hota hai. 💔

**** Tere Husn Ke Naam ****

Tere husn ko lafzon mein kaise bayan karun,
har lafz se pehle tera khayal aa jata hai.

Tera rukh-e-roshan dekhu,
to aankhon ko sukoon milta hai.

Teri nigaah-e-naaz mein kuch aisa khumaar hai,
ki dil ko apna hosh bhi yaad nahi rehta.

Teri zulf-e-daraaz jab hawaon mein lehraati hai,
jaise shaam khud koi ghazal gungunaati hai.

Tere labon par thehra hua woh tabassum,
dil ki saari beqarari ko sukoon de jaata hai.

Tere rukhsar ki woh narmi,
jaise gul ki pankhudi par subah ki pehli boond.

Aur teri khushbu-e-gul...
woh to hawaon ka bhi andaaz badal deti hai,
tu paas na ho phir bhi
teri qurbat ka ehssaas de jaati hai.

Tera husn sirf dekhne ki cheez nahi,
mehsoos karne ki ek wajah hai.

Tu saamne ho to waqt theharne ko ji kare,
aur tu door ho...
to har pal tujhe yaad karne ko ji kare.

Shayad isi ko kehte hain
ishq...

Jahan kisi ke husn se zyada,
uski maujoodgi se dil ko
sukoon-e-jaan milne lage. 💕

**** Mulaqat ****

Ye chandni raat hai,
Pata nahi kya baat hai.

Ae chand, kyun sharma raha hai?
Kya teri usse mulakat hai?

Gar mulakat hai, to mera salaam keh dena,
Meri khamosh mohabbat ka ek paighaam keh dena.

Wo khud hi ek roshni ka ehsaas hai,
Tere noor ki bhi uske husn ke samne kya aukaat hai.

Tu to bas raat ka musafir hai,
Wo meri har dua ki saugaat hai.

Ae chand... aaj zara aahista chal,
Uske chehre ke noor ke aage,

Teri chandni bhi bas ek ehsaas hai. 🌙💕

**** Taqdeer ****

Aasmaan par taqdeer likhi jaati hai,
main us kalam se tujhe apna likhna chahta hoon.

Mita kar apni saari khwahishein,
har khwahish mein bas tera naam rakhna chahta hoon.

Jo lakeerein mere haathon mein hain,
unmein tera haath likhna chahta hoon.

Aur agar kismat mein kuch aur likha ho mere,
to apni kismat se bhi tera naam churaana chahta hoon.

Tu mile to zindagi mukammal lage,
main tujhe sirf apna nahi...
apni har saans ka sabab likhna chahta hoon. 💕

**** Tufaan Mein Woh ****

Aaj jab aandhi ne shehar ko apni giraft mein liya tha,
tab meri nazar ne ek manzar-e-husn dekha tha.

Siyah libaas mein woh khadi thi, ba-adab, pur-waqar,
jaise gard-o-ghubaar ke darmiyan khila ho koi gul-e-bahaar.

Tez hawaon ne jab zulfon ko uske chehre par bikhera,
usi ek lamhe ne mera sabr mujhse cheen liya tha.

Roshan chehra, surili nigahein,
aur rukhsaar par thehra hua woh ek til...

Bas us ek manzar ne,
mere dil ko apna aseer kar liya.
Darakht aandhi mein jhuk rahe the,
fiza bechain thi, har taraf shor tha...

Magar uske chehre par,
ek ajeeb sa sukoon tha.

Yun laga jaise tufaan bhi
uske husn ka parda hata raha ho,
aur har guzarta jhonka
mere dil ko uski taraf kheench raha ho.

Na jaane kitne haseen chehre dekhe hain is jahaan mein,
magar meri nigahon ko uske jaisa koi mila hi nahi.

Aur us aandhi bhari shaam ka hasil bas itna sa hai...
Maine tufaan dekha tha,

magar yaad sirf woh reh gayi. 

**** Ek Taraf Tum ****

Saare nashe ek taraf,
tere aankhon ka nasha ek taraf.

Saare khwaab ek taraf,
teri yaadein ek taraf.

Saari manzilein ek taraf,
tera hona ek taraf.

Aur meri har dua ek taraf...
us dua ka asar ek taraf.

**** Faaslon Mein Bhi Qareeb ****

Yun to khoobsurat ho aap,
ki aapse chand bhi sharmaata hai.

Aapko jo dekha ek baar,
murjhaya hua dil bhi khil jaata hai.

Aapki aankhon mein ajab sa guroor hai,
meri khamosh duniya mein bas aapka hi suroor hai.

Ji karta hai dekhta rahun aapki aankhein,
magar ye haseen manzar bhi mujhse kitna door hai.

Aarzoo hai ki aapko khuli aankhon se dekhta rahun,
magar ye aankhein neend se jaagti nahi,
aur aapki yaadon mein guzarti raat dhalti nahi.

Kya ajeeb sa ishq hai ye...
aap saamne nahi,
phir bhi dil se door nahi.

Aapki yaad ka ek lamha bhi,
poori raat se kam nahi. 

**** Tum Hi ****

Tum hi meri shab (raat) ki khamoshi ho,
tum hi sehar (subah) ki roshni.

Tumse hi saanson ko thandak mile,
tumse hi dil ko taazgi mile.

Jo rooh ko sukoon de,
woh ehsaas bhi tum.

Aankhon mein jo reh jaaye,
woh nami bhi tum.

Meri zindagi ki har saans mein,
meri humdard
meri jaanam (beloved)...

meri mohabbat bhi tum. 

**** Khushboo-e-Gul ****

Khushboo-e-gul (phoolon ki mehak) se mehekta badan,
gul-e-kali (khili hui kali) sa narm-o-nazuk badan.

Narm hawaon mein lehraati hui ada,
jaise bahaar (spring) khud qadam rakh gai ho yahan.

Har guzarti fiza ko taza kar jaaye,
har nazar us par thehar kar muskura jaaye.

Uski maujoodgi ka asar kuch aisa hai,
ki khamosh lamha bhi geet sa ban jaaye.

Woh sirf husn nahi,
khud qudrat ki likhi hui
ek haseen nazm lagti hai. 

**** Ek Chehra ****

Is duniya mein hazaaron chehre hain,
phir ek hi chehre ka pehra kyun hai?

Har shakhs apni jagah haseen hai,
phir dil ko tera hi intezaar kyun hai?

Har woh pal khaas hai,
jisme tu mere aas-paas hai.

Tere hone se waqt bhi apna sa lagta hai,
aur tere bin har lamha bekaar sa lagta hai.

Shayad wajah husn nahi,
shayad baat kuch aur hai...

Duniya mein chehre bahut hain,
magar mere dil ko sirf tera hi ehssaas hai. 

**** Ek Khamosh Dastak ****

Mana ki tu bas ek qatra-e-aab (paani ki boond) thi,
magar jab aftaab (suraj) ki kirnon ne tujhe chhua,

tu rang-o-noor (rang aur roshni) mein dhal kar
ek haseen khwaab ban gayi.

Yun hi nahi aayi tu meri zindagi mein,
na koi shor hua, na koi ailaan hua,

bas dil ki veeraan chaukhat par
teri khamosh si dastak ka ehsaas hua.

Magar us ek dastak ne sab kuch badal diya,
meri soyi hui rooh ko jaise zindagi bakhsh di,

meri veeraan shaamon ko gulzaar (phoolon se bhara) kar diya,
har adhoore lamhe ko mukammal kar diya.

Ab to ye aalam hai,

meri saanson mein tera naam thehra rehta hai,
meri khamoshiyan bhi tujhse baatein karti hain,

aur meri har dua
teri muskurahat par aa kar thehar jaati hai.
Kyunki tu jo aayi hai,

meri duniya ne rangon ko pehchaan liya hai,
mere dinon ne roshni se rishta jod liya hai,

aur meri raaton ne
tere khwaabon mein jeena seekh liya hai.
Tu aayi to laga,

zindagi sirf guzarna nahi,
kisi khoobsurat ehsaas ko jeena bhi hai. ❤️

**** Ae Neend, Tu Aati Kyun Nahi ****

Ae neend, tu mujhe aati kyun nahi,
raat dhalti hai, magar tu theharti kyun nahi?

Aankhon mein thakan ka aalam hai,
phir bhi palkein band hoti kyun nahi?

Takiye pe sar rakh kar
tera khayal aa jaata hai,

dil ko samjhata hoon bahut,
magar ye baat maanta kyun nahi?

Khamosh raat hai, hawa bhi tham si gayi,
phir meri dhadkan ye shor machati kyun nahi?

Shayad kisi ki yaad ne
neend se meri dosti chura li hai,

ya phir dil mein koi baat adhuri hai
jo raat bhar mujhe sone deti nahi.

Ae neend, agar aana hai to aa ja,
warna uski yaadon ko hi keh de—

aaj zara khamosh ho jaayein,
mujhe raat bhar jagana kyun hai. 

**** Khud Se Thaka Hua ****

Main toota nahi hoon, bas zindagi se thak gaya hoon,
Har khushi se door, har khwab se thak gaya hoon.

Main khamosh nahi hoon, bas dard ko samajh gaya hoon,
Beete lamhon ke bojh tale, kuch dab sa gaya hoon.

Saath sabka chahiye, ye dil bhi jaanta hai,
Phir bhi tanha rehne ka aadi sa ban gaya hoon.

Na shikwa hai kisi se, na gila hai kisi baat ka,
Main bas khud ki hi nazron mein gir sa gaya hoon.

Main zindagi se nahi, ae dost, ye samajh lo,
Main apne hi wajood (existence) se thak gaya hoon.

**** Tera Nasha ****

Ye mujhe nasha kyun ho raha hai,
jaise teri gali se guzarta ja raha hoon.

Teri rooh ki khushboo meri saanson mein yun basi hai,
jaise har lamha tere qareeb aata ja raha hoon.

Teri aankhon ki chamak kuch yun chhaa gayi mujh par,
ki duniya dhundhli, aur tu saaf nazar aa raha hai.

Na jaane kaisa asar hai teri yaadon ka,
door hokar bhi tu mere paas aata ja raha hai.

Ye kaisa nasha hai jo utarta hi nahi,
tera khayal hai jo dil se guzarta hi nahi. 

**** Zulfon Ki Rawani ****

Teri zulfon ka lehraana hawaon jaisa hai,
jaise thandi shaam ka koi afsana sa hai.

Har latt jab chehre par aakar thehar jaati hai,
jaise khamosh raat koi raaz keh jaati hai.

Kabhi kandhon par bikhar kar shaam si lagti hain,
kabhi hawa ke sang chal kar naghma si bajti hain.

In zulfon ki rawani (lehraa kar behne ki ada) mein
na jaane kaisi kashish (khichav) chhupi hai,

ki nazar ek pal ko thehar jaaye,
aur dil ko phir kahin jaane ka man na kare.

**Teri zulfein sirf husn ka hissa nahi,
mere liye woh lamha hain**

jahan dekhte-dekhte waqt thehar jaata hai. 

**** Aye Waqt, Thehar Ja ****

Ye khushboo bata rahi hai ki woh paas aa rahi hai,
Ae waqt, zara thehar ja...

dil ko aaj phir ek haseen mulaqat ki aas aa rahi hai.

Ji karta hai use ji bhar ke dekhta rahun,
har lamhe ko apni aankhon mein sambhalta rahun.

Woh surili aankhein, woh bareek zulfein,
woh gehri nigahein, jaise bekinara samandar.
Woh pyari si naak, woh narm se hont,
aur rukhsaar par thehra hua woh khamosh sa til.
Woh gardan par utarti hui subah ki roshni,
aur badan se aati woh halki si mehak—
jaise baarish ke baad mitti mein basi ho bahaar.

Haye, ae waqt... zara thehar ja,
aaj dil ko uski qurbat mein rehne de.

Ji karta hai uske haath apne haathon mein thaam lun,
aur aankhon hi aankhon mein dil ki saari baat keh dun.

Ji karta hai uske qadmon ke nishaan par chalun,
taaki meri har raah usi mod par jaakar mile.

Magar dil ki ek hi iltija (vinati) hai—
Ae waqt, aaj thehar ja...

**mohabbat ko aaj jee bhar ke mehsoos karne de,
kal ka kya pata...
aaj jo paas hai, use aaj hi dil mein utarne de. 💕**

**** Daulat Se Pare ****

Paise kya hain?

Ek zarurat...
magar afsos, logon ne ise zindagi ka maqsad bana liya hai.

Paise kamate-kamate hum ye bhool baithe hain
ki dil kis se lagana chahiye.

Hum un rishton se door hote gaye
jo humein sukoon dete the,
aur un cheezon ke peeche bhaagte rahe
jo sirf chand lamhon ki khushi deti hain.

Ye duniya ek imtihan hai,
hamesha rehne ki jagah nahi.

Phir bhi hum usi ke liye gunah kar baithte hain
jiski haqeeqat faani (nashwar) hai.

Kaash hum daulat se pehle
achhe insaan pehchanna seekhte.

Kaash dil mein thodi narmi rakhte,
aur aise logon ki talash karte
jinke saath rehkar dil ko sukoon mile,
jinhe dekhkar shukr ada karne ka dil kare,
aur jo door hokar bhi
apni qurbat (nazdeeki) ka ehसाas de jaayen.

Deen ne humein mohabbat sikhayi hai—
Rab se mohabbat,
walidain se mohabbat,
shauhar aur biwi ki mohabbat,
bhai-behen ki mohabbat,
aur doston ki mohabbat.
Rishte alag ho sakte hain,
magar unki buniyad ek hi hai—
mohabbat.

Hum sab jaante hain
ki ye duniya chnd roz ki mehmaan hai,
phir bhi nafrat, hasad (jalan) aur takabbur (ghamand) ko
apne dil mein jagah de dete hain.

Kitni ajeeb baat hai—

khud ko abad karne ke liye
hum kabhi doosron ko barbaad karne se bhi nahi hichkichate.

Aakhir ek din sabko yahan se rukhsat hona hai.

Na daulat saath jayegi,
na shohrat, na rutba.

Sab kuch yahin reh jayega.
Saath agar kuch jayega,
to woh nek amal (achhe karm) honge,

aur woh mohabbat
jo ek banda apne Rab se karta hai.

**Duniya ki daulat yahin reh jaati hai,
magar Rab ke liye kiya gaya ishq
dil ko duniya se bhi aage le jaata hai.**

Shayad isi ka naam hai—
asal kamyabi.
